

Alpinecrest Foundation - closure and lessons

Synthetic document facsimile - prepared for demonstration only.

Document / version	Record date	Owner / status
H01-C / 1.0	2025-06-18	Historical GCS Operations / historical

H01-C§1 | Resolution

Client Reporting and the RM obtained acceptance of weekly holdings plus a monthly pack. The retrospective recommended capability validation during intake. Benchmark mapping added four business days of work.

H01-C§2 | Reusable action

Client accepted Tuesday holdings and a monthly validated pack after an early service-design workshop.

H01-C§3 | Non-transferable assumptions

Different custodian feed and reporting calendar; prior capability does not establish current feasibility.

Evidence provenance

Source record: H01-C; original format: Retrospective. The numbered passages preserve the existing demo corpus. PDF formatting does not grant additional authority to a draft, prior-client precedent or archived record.
