

Seabrook Insurance - closure and lessons

Synthetic document facsimile - prepared for demonstration only.

Document / version	Record date	Owner / status
H03-C / 1.0	2025-11-21	Historical GCS Operations / historical

H03-C§1 | Resolution

The client and accountable owners approved a staged mandate and retained controls preventing derivative activation before later readiness approval.

H03-C§2 | Reusable action

The client accepted cash substitution and a separately approved bonds-only launch with derivatives disabled.

H03-C§3 | Non-transferable assumptions

Insurance controls, base currency and counterparties differ from the present pension case.

Evidence provenance

Source record: H03-C; original format: Retrospective. The numbered passages preserve the existing demo corpus. PDF formatting does not grant additional authority to a draft, prior-client precedent or archived record.
