

Aster Pension Foundation - closure and lessons

Synthetic document facsimile - prepared for demonstration only.

Document / version	Record date	Owner / status
H06-C / 1.0	2026-03-26	Historical GCS Operations / historical

H06-C§1 | Resolution

The team agreed staged delivery and introduced an early custody-file rehearsal and reporting data-contract check.

H06-C§2 | Reusable action

Sequence service validation, custody data reconciliation and counterparty work during intake.

H06-C§3 | Non-transferable assumptions

No bespoke restriction schedule; cannot support detailed ESG-language interpretation.

Evidence provenance

Source record: H06-C; original format: Retrospective. The numbered passages preserve the existing demo corpus. PDF formatting does not grant additional authority to a draft, prior-client precedent or archived record.
