H10-C§1 | Resolution

The client accepted a supported service schedule and a cash substitution for unresolved transfer holdings.

H10-C§2 | Reusable action

Separate reporting capability evidence from a client request; screen the actual transfer data early.

H10-C§3 | Non-transferable assumptions

Different data provider and custody feeds; clear restriction wording unlike the new draft.

Evidence provenance

Source record: H10-C; original format: Retrospective. The numbered passages preserve the existing demo corpus. PDF formatting does not grant additional authority to a draft, prior-client precedent or archived record.
